

Ron Kiffmeyer: Plant Operator

Stage North Theatre Company:

Actor: *Little Shop of Horrors*, Plant Operator
(2017)

This is my first play. My experience in theatre has been limited to enjoying watching my wife Jenny meticulously prepare and ultimately perform in numerous on-stage theatrical productions. Being involved as I have with *Little Shop of Horrors* provides me more insight into the hard work tackled by the cast, crew and the many “behind the scenes” folks that forever on I will appreciate the final product, *The Performance*, so much more.
