Related Experience:

Cheerleading and dancing experience

Choreographed several dance and stunt cheerleading performances for both high school and college level

Jaiden's passion for dancing got her involved with Stage North to participate in dancing roles. Her first ever acting role was playing as Cinderella in "A Cinderella Christmas" through Stage North. Although different from dancing, this was an experience she thoroughly enjoyed!

Jaiden is soaking in the dancing and enjoyment of being in a play now as she is 6 months pregnant and will be taking a hiatus to spend time with her little boy!
